

## GIS Colorado 2016 Scholarship Announcement

Are you an undergraduate or graduate student enrolled in a degree or a certificate program with **GIS** as a major or minor emphasis of study?

Do you exhibit academic excellence in the **geospatial technologies** fields: Geographic Information Systems (GIS), Remote Sensing, Global Positioning Systems (GPS), or related disciplines?

This year, **GIS Colorado** is offering **four** scholarships to deserving university or college students in Colorado:

- Two scholarships to full-time students
  - One \$1500 undergraduate
  - One \$1500 graduate
- Two scholarships to part-time students
  - One undergraduate
  - One graduate
  - Part-time students must have a minimum of one three-credit class in fall 2016. The award for part-time students will be calculated at \$100 per credit to a maximum of \$500
- One free membership to GIS Colorado
- Invitation to attend and present at GIS in the Rockies (registration paid by GIS Colorado)

Check out the details and requirements at <http://giscolorado.org/scholarships/> and follow the link to the scholarship application.

Applications including letters of recommendation must be submitted electronically in PDF format to [scholarship@giscolorado.com](mailto:scholarship@giscolorado.com) and are due by midnight April 15<sup>th</sup>, 2016.

**Incomplete or late applications will not be considered.**
